Subject Index

Abandonment anxiety, and wife assault, 182

Aggression

- anger in, 183-184
- instigators of, 173, 176-177
- origins of, 173-176
- regulators of, 172, 177-180
- and wife assault, 169-170

Ake v. Oklahoma, 76

Alcohol use

- and South African criminal law on drunkenness, 64
- and wife assault, 179-180, 192, 193

Allard v. Helgemoe, 85

American Bar Association *Criminal Justice Mental Health Standards*, 80, 95, 102

Amnesia

- and competency to stand trial, 79, 80
- and South African criminal law, 63-64

Anger

- diaries of, 207-208
- management with cognitive-behavioral therapies, 206-207
- and wife assault, 176-177, 183

Apartheid, and South African Mental Health Act, 48-71

Association of Medical Superintendents of American Institutions for the Insane (AMSII), 113, 116, 127, 142-144

Asylums, 111-156

- and Association of Medical Superintendents of American Institutions for the Insane (AMSII), 113, 116, 127, 142-144

Bell on, 123

blacks in, 127, 149

boarding-out of patients from, 125, 135

in British Isles, 133-137

in Canada, 132-133

Caplans on, 116

commitment to, 136-137, 151-153

critical overviews of, 114-124

Dain on, 118

dependency in, 117, 122, 153

diagnostic patterns in, 128, 132, 140, 144-148

Doerner on, 123

Donnelly on, 124

families of patients in, 128, 132, 153-154

Foucault on, 114-115

in France, 137-138

Grob on, 116-117

Katz on, 122-123

medical therapy in, 124, 128, 132, 137, 139

moral therapy in, 124, 128, 132, 137, 139

patients in, 149-154

class and ethnicity of, 148-149

gender of, 128, 132, 133, 134, 139, 146-148

personal accounts of, 149-150

photography of, 150

poor patients in, 133, 136, 137, 139, 140, 149

poorhouses as, 122

precursors to 19th century institutions, 138-141

in England, 138-140

in United States, 140-141

private madhouses, 140

progressive view of, 113-114, 155

Rothman on, 115-116

Scull on, 118-122

social control in, 115, 117, 122

state control of, 123, 125

twentieth-century hospitals, 154-156

in United States, 124-132

Automatism

insane or non-insane, 85

and South African criminal law, 64

Auxerre asylum in France, 137-138

Bailey v. Lally, 13-14

Bandura's Social Learning Theory, 172-173

Bedlam, history of, 139

Bee v. Greaves, 96

Beers, Clifford, 150, 153
